### WHY JOIN EIS-AFRICA???

EIS-AFRICA is the longest serving organization championing the use of EIS, GIS, Remote Sensing and Earth Observation for sustainable development on the African continent. EIS-AFRICA is a registered non-profit membership based organization (An association incorporated under the Section 21 companies Act in South Africa).

As a paid-up member you and/or your institution joins an elite network of geo-information professionals. Memberships benefits include amongst others:

- EIS Members, from African countries, can join the **Association of American Geographers (AAG) at no additional cost** through a reciprocal membership programme subsidized by the AAG.
- You will **receive EIS news alerts** and the **monthly EIS Newsletter**.
- You have opportunities to **work** with our **regional and international partner agencies**.
- You can **access international Professional development** opportunities.
- You become **prioritized for project and consultancy work**.
- You receive **discounted registration fees** to attend **AfricaGIS** conferences.
- African member organizations can bid to **host the AfricaGIS** conference.
- You get a password to publish content onto our website and advertise your expertise on our **expertise roster**.
- You can be nominated and **elected onto our Board of Directors**.
