

**Memorandum of Understanding**  
**between the**  
**Open Source Geospatial Foundation**  
**and**

**The other party**

**Month Year**

The purpose of this Memorandum of Understanding (MOU) is to establish a collaborative relationship between the Open Source Geospatial Foundation (OSGeo) and **the Other Party**.

Both parties to this MOU share the goal of [pick some from mission statement, e.g. **developing collaboration opportunities for academia, industry and government organisations or encouraging the production of publicly accessible geodata, etc; and pick a place or domain they apply to, e.g. within academia, within industry, across a country**].

The MOU covers the following proposals and topics:

- Details of opportunities, initiatives and plans that the two parties agree to pursue
- Acknowledge any advisory board or steering committees that will be established for further dialogue.
- ...

This MOU will be reviewed annually by both parties at which time revisions may be made and the agreement renewed.
