Show Management <u>Wi-Fi</u> High Speed Internet Access

These charges are for Wi-Fi access to the OCC Local Area Network (LAN) which is connected to one 10 Mbps line to our Internet Service Provider (ISP). Prices are for access only and do not include PC's, Laptops and wireless network cards. 1 Username and Password will be given to the Show Manager for all users who will need access. Private IP addresses will be assigned. Public IP addresses upon request.

Users	Cost
1-5	$50.00 per day each or $250.00 per day for 5 users.
6-10	$35.00 per day each or $350.00 per day for 10 users.
11-25	$25.00 per day each or $500.00 per day for 25 users.
26-60	$20.00 per day each or $1000.00 per day for 60 users.
61-100	$18.50 per day each or $1,500.00 per day for 100 users.
101-150	$15.00 per day each or $2,000.00 per day for 150 users.
151 +	$13.25 per day each

Users are tracked by total quantity of concurrent users and not by total quantity of users. If someone pays for 5 users then only 5 users can access the Internet at one time but more than 5 total users can access the Internet at different times.

Show Management cannot order Wi-Fi access for Exhibitors unless approved by OCC Telecom Department.
