

we understand your business

Worldwide Convention Specialists is a dynamic global company specialising in research, telemarketing and international representation by offering effective marketing solutions exclusively within the convention and meetings industry.

Whether you are considering research projects, targeted sales activities or long term representation, a selection of our international services include:

- Lead identification and business development
- Qualification of potential clients by telephone
- Co-ordination of events and functions
- International tradeshow representation
- Assistance to increase media awareness
- Direct mail campaigns

Our mission is to provide exceptional service standards and significant results in a highly competitive arena. Worldwide Convention Specialists truly understand the importance of in-market research, the complexities of the bid process and what it takes to win international association conventions.
