We are pleased to invite you to submit **1500 word extended abstracts** for the 26th Annual Geographical Information Science Research UK Conference, which will be held at the **University of Leicester** on **17 - 20 April 2018**.

We welcome papers covering all aspects of theoretical and applied Geographical Information Science, including (but not limited to) the following themes:

Data Science
Spatial Statistics
Uncertainty in GIS
Cartography
GeoVisualisation
Remote Sensing
GIScience Pedagogy

Volunteered Geographic Information
Public Participation GIS
Location-Based Services
Web and Open-source GIS
Critical GIS
Digital Geographies
Qualitative GIS

Urban GIS
Environmental GIS
Transport Systems
GeoDemographics
Archaeology and GIS
Criminology and GIS
Sustainability and GIS

The closing date for submissions is **Friday 15 December 2017**.
All papers will be subject to a peer review.

Conference proceedings will be made available online.
A selection of the best papers will be invited to submit a full-length paper for publication in a special feature of the **Journal of Spatial Information Science**.
