

FOSS4G Europe 2024 Call for Papers is open

The FOSS4G Europe 2024 Program Committee is happy to announce that the Call for Papers for [general program](#), [workshops](#), and [academic program](#) are all open and are waiting for your contribution(s).

Whether you are a seasoned FOSS4Ger or it would be your first time presenting, we are very happy to welcome your submission – the FOSS4G conference series and the whole OSGeo community flourishes on the shared experiences and knowledge of its presenters.

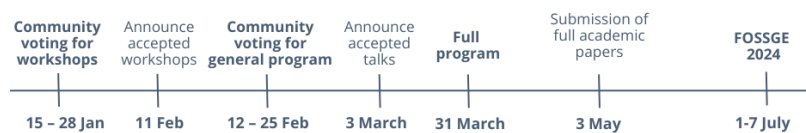

As this is a regional OSGeo event we are more concentrated on themes related to European topics, activities, and possibilities. But as we live in an interconnected world the themes are not limited to Europe only.

The deadlines are following:

- * workshops - **14 January 2024**
- * general program - 11 February 2024
- * academic program - 11 February 2024

Workshops	General program	Academic program
Deadline 14 Jan	Deadline 11 Feb	Deadline 11 Feb
4 hour practical hands-on sessions	Lightning talk slot - 5 min Regular talk slot - 30 min	Scientific contributions
