Re: 1st Indonesian Geospatial Technology Exhibition

Dear Mr. Matindas,

ISCGM expresses our gratitude for your continued cooperation with the Global Mapping project.

We received your letter of the said matter via fax and e-mail from Rizka Windiastuti. We deem that this event will contribute to building and developing SDI in Indonesia, and thereby significantly benefiting to the development and maintenance of Global Map of Indonesia.

We are pleased to inform that the ISCGM supports this important event and hope to distribute materials such as pamphlet of Global Mapping project.

Sincerely,

Hiromichi Maruyama

Secretary General
