

## Information for Sponsors

GISRUK is run by a committee of volunteers and receives no funding. As such, we rely upon the kind support of our sponsors to be able to deliver the high-quality conference expected by GISRUK delegates.

Would you like to support GIS in the UK by becoming a GISRUK sponsor? We are the largest UK GIS Research Conference and have sponsorship packages to suit all budgets. GISRUK presents a great opportunity to gain exposure to leading researchers and highly skilled postgraduates alike and can generate business and attract potential employees. We offer flexible sponsorship packages open to negotiation to meet your organization's needs.

### Sponsorship Packages:

Item	Description	Price
