Sir

Application for registration as GISc Technician - Law exam 9 November 2015

I have been advised by the GISc Screening Committee that after assessing your experience and qualifications you satisfy the requirements to be registered as a **GISc Technician** subject to the successful completion of a law examination.

You will only be questioned on the new **Geomatics Profession Act – Act 19 of 2013** and the Plato Rules (Paper A - first paper). This will be an open-book examination and will be of 2-hour duration. Copies of the above Acts are enclosed herewith.

Law examinations are scheduled to take place on the second Monday of the month during May and November of each year and can be written at one of the Surveyor-General Offices in Bloemfontein, Cape Town, East London, Nelspruit, Pietermaritzburg, Pretoria or Polokwane.

**The next exam will take place on 9 November 2015.**

In order to facilitate arrangements, kindly advise this office without delay per e-mail whether you intend sitting for this exam and also which of the above venues will be most suitable for you.

Regards,

Mari Pater  
Office Administrator  
S A Council for Professional & Technical Surveyors  
011-6261040 / 1080

3 September 2015

**Assessment Results: Ntshate Athenkosi, ID: 8910255864086**

Dear Athenkosi,

Esri South Africa would like to inform you as follows on your results for the Unit Standards listed below that were aligned with the Esri South Africa course called: ArcGIS Basic

Unit Standard Title	Unit Standard ID	NQF Level	Credits	Competency *
Demonstrate an understanding of the context of GI Science	258657	6	4	C
Read hard copy maps	258636	5	3	C

- \* **NYC - Not Yet Competent**
- \* **C - Competent**

Esri South Africa will submit all the required details of your success to the CETA SETA.

In the case that you have been found "Not Yet Competent", Esri South Africa would like to offer you the opportunity to redo the assessment within the next 6 months (free of charge) from the date of this letter. Please contact Sam at [slushaba@esri-southafrica.com](mailto:slushaba@esri-southafrica.com), to obtain dates for re-assessment. If you are found competent after the second assessment, Esri South Africa will submit all the required details of your success to the CETA SETA.

If you are found "Not Yet Competent" after the second assessment or if you are unable to undertake a reassessment within the allotted 6 months, your result of "Not Yet Competent" will become your official result. You will still have the option to redo the course or to undertake further assessments at the normal training and RPL costs. The applicable costs can be obtained from the training coordinator.

The CETA SETA is the ETQA for these Unit Standards and is responsible for the final endorsement of all results through further moderation and verification. Although Esri South Africa tries to submit the results as soon as possible the CETA SETA may take a number of months to issue you with a registration number and statement of achievement. **Please be patient!!**

Esri South Africa would like to thank you for your support and would like to wish you well in your endeavour to obtain a GIS qualification.
