GRASS GIS 7.2.2 Map Display: 1 - Location: nc\_climate\_spm\_2000\_2012@climate\_1970\_2012

2D view

228880.24; 169475.55 Coordinates

The screenshot displays the GRASS GIS 7.2.2 user interface. On the left, the 'Layer Manager' window is open, showing a hierarchical menu of tool categories: 'Import, export and link data', 'Manage maps', 'Raster', 'Vector', 'Imagery', '3D raster', 'Database', 'Temporal', 'GUI tools', and 'Addons'. Below this menu is a search bar and a 'Run' button. The main window is the 'Map Display', titled 'GRASS GIS 7.2.2 Map Display: 1 - Location: nc\_climate\_spm\_2000\_2012@climate\_1970\_2012'. It features a toolbar with various navigation and editing tools, a '2D view' dropdown menu, and a coordinate display at the bottom showing '228880.24; 169475.55' and a 'Coordinates' dropdown. The Windows taskbar is visible at the bottom of the screen.

ENG 16:00 11/02/2018

The Windows taskbar is shown at the bottom of the screen. It includes a search bar on the left with the text 'Type here to search'. The taskbar contains several icons for open applications, including the Start menu, File Explorer, Google Chrome, and the GRASS GIS application. On the right side of the taskbar, the system tray shows the language set to 'ENG', the time as '16:00', and the date as '11/02/2018'.
